

NOW ACCEPTING APPLICATIONS FOR FALL 2010

Psychoanalytic child therapists are specifically trained to assess and treat children's mental health issues.

The 3-year TCPP program offers intensive post-graduate training, which combines academic study with supervised clinical work. New in 2010: Distance learning is available.

Please visit www.tcpp.ca for more information.

Classes are held at the
Hincks Institute, 114 Maitland St., Toronto
on Tuesday evenings from September until June.

Application Deadline is May 31, 2010

For more information and an application package, please contact:
