

## Clinical Manager, Child and Adolescent Mental Health Program (CAMHP)

**Posting #: 20-1420**

**Status: Permanent Full-Time**

**Location: Sudbury, Ontario**

*A dynamic and growing health care environment awaits you in Sudbury, Ontario: Canada's happiest city! Surrounded by provincial parks and over 300 lakes, Greater Sudbury has over 160,000 residents and has a rich mix of urban, suburban, rural and wilderness environments. Only a one-hour flight or four-hour drive from Toronto, here you will experience the balance of a challenging career and a comfortable lifestyle, right in the heart of Northern Ontario's largest city.*

Under the general direction of the Administrative Director, Mental Health and Addictions Program, Health Sciences North (HSN) is seeking an innovative leader for the position of **Clinical Manager, CAMHP**. The incumbent will be responsible for providing leadership and direction through planning, organizing and controlling of the day to day operations of the Child/Adolescent Mental Health Program. The Clinical Manager, CAMHP will be required to use clinical knowledge and leadership skills to promote the delivery of optimal care to patients through day to day planning and the management of human and material resources.

The ideal candidate will have a minimum of a Master's Degree with specialization in a health-related discipline or health services management/human services, or a related field, from an accredited university. A current Certificate of Registration in good standing with an applicable regulatory college is required. We are looking for someone with a minimum of five (5) years' experience in mental health and addictions service delivery, preferably with a focus in child and youth mental health service delivery, and a minimum of two (2) years' experience working in a leadership/supervisory role, preferably in an in-patient or community-based mental health setting.

If you enjoy working in a fast-paced, team environment and are looking for a rewarding career opportunity, you are encouraged to view the full job description on the [HSN Careers Website](#).

*We offer competitive salary and vacation, extended health and dental benefits, a pension plan through HOOPP and relocation allowance to assist with moving expenses.*

Interested applicants are asked to apply directly to **posting #20-1420** by **December 30, 2020** on the HSN Careers Website at [hsnsudbury.ca/careers](https://hsnsudbury.ca/careers). To learn more about Sudbury, find the [Relocating to Sudbury](#) link on our [careers portal](#).

---

Health Sciences North (HSN) is a regional resource and referral centre for over 600,000 residents across northeastern Ontario. It features state-of-the-art technology with over 3,900 employees, 800 volunteers and a medical, dental and midwifery complement of 260. HSN has become a Research and Academic Health Science Centre affiliated with the Northern Ontario School of Medicine and the Advanced Medical Research Institute of Canada.
