POSITION SUMMARY

The Mental Health and Addictions Centre of Excellence (MHA CoE) within Ontario Health is seeking expressions of interest for the position of **Provincial Clinical Lead, Mental Health and Addictions (MHA) Provincial Coordinated Access**. This is a unique opportunity to provide strategic leadership to the evolution of the MHA system in Ontario. This opportunity is open to all qualified candidates.

The Provincial Clinical Lead, MHA Provincial Coordinated Access, will provide expert advice and visionary leadership at the provincial level related to coordinated access. This will include system planning and design, improving access to and quality of care, leading change management, along with related data, reporting and performance management. A focus on equity, inclusion, diversity, and anti-racism will be a priority of the coordinated access work. The Provincial Clinical Lead is part of the clinical leadership team of the MHA CoE and will work with supporting staff and sector stakeholders to create the strategic vision for MHA Provincial Coordinated Access, set the priorities, and develop, execute, and monitor a work plan.

Interested parties should forward their expression of interest and curriculum vitae, electronically, to **Mimoza Aliu**, Coordinator, MHA CoE, care of MHACoE@ontariohealth.ca, no later than **11:59 PM on May 4, 2023**.

Questions about the role may be submitted to MHACoE@ontariohealth.ca, no later than **April 19 2023**. A consolidated list of all questions and answers will be available to any party, by request, by **April 26, 2023**. To receive a copy of the consolidated list of questions and answers, please contact MHACoE@ontariohealth.ca.

More about Ontario Health:

Ontario Health is an agency created by the Government of Ontario with a mandate to connect and coordinate Ontario's health care system in ways that have not been done before, to help ensure that Ontarians receive the best possible care.

Ontario Health oversees health care delivery across the province, which includes ensuring front-line providers and other health professionals have the tools and information they need to deliver the best possible care within their communities. This also means simplifying the current system and connecting and coordinating its many complex parts in new and innovative ways. This involves keeping a close eye on how the health system is performing and providing evidence-based standards and improvements to address any gaps.

Ontario Health helps to support significant and important transformation in Ontario's health system, working to ease the transition between points of care for Ontarians and helping to ensure they have access to the care they need. Ontario Health is adapting world-renowned practices from areas such as cancer care and renal care to other parts of the system, including mental health and addictions.

Through integration, coordination, connection, and clinical excellence, Ontario Health is working to reduce strain on the system which will enable investment of more resources on the care Ontarians need, and, most importantly, improve health outcomes and overall wellness for all.

As an operational service agency of the Government of Ontario, Ontario Health is accountable for conducting a fair and transparent process, providing equal treatment to all qualified parties, in selecting a candidate for the above mentioned role.
