

Located on beautiful Georgian Bay, Waypoint Centre for Mental Health Care is a 301-bed psychiatric hospital providing specialized inpatient and outpatient psychiatric care for the North Simcoe Muskoka region, and providing forensic psychiatric care for patients throughout Ontario requiring a high secure facility. Join our team of psychiatrists and general practice physicians working in a rich interprofessional care environment. **We are currently inviting expressions of interest for temporary full time ("Locum") Psychiatrists to care for forensic mental health inpatients.**

We offer assessment, evidence-based treatment and recovery-oriented rehabilitation across a broad range of needs including patients who are in hospital under an order of the Ontario Review Board due to their involvement with the criminal justice system. Periodic reports and appearances before the Ontario Review Board and/or the Consent and Capacity Board is a requirement of this work. We are committed to ensuring Locum Psychiatrists have ample time to prepare for reports and hearings and are well supported throughout all stages of preparation and hearings.

Some of Waypoint's key treatment philosophies include recovery-oriented and evidence-based practices in the least restrictive environment. The goal is to provide the patient with as much liberty as possible while respecting the safety needs of staff and the public, and complying with legal requirements.

We are accepting expressions of interest by candidates who hold an MD or equivalent and certification in Psychiatry from the Royal College of Physicians and Surgeons of Canada, and who are eligible for licensure in the Province of Ontario. The ideal candidate will hold a sub-specialty in Forensic Psychiatry but candidates will also be considered based on their experience.

Waypoint is located in the Town of Penetanguishene, on the shores of beautiful Georgian Bay, less than two hours from Toronto and approximately 45 minutes from Barrie. Outdoor recreational opportunities in all four seasons abound in this area of natural beauty.

For further information about our Locum positions and compensation, please contact:
