

THE OTTAWA HOSPITAL- Mental Health Program -Programme santé mentale

The Ottawa Hospital is one of Canada's largest learning and research hospitals, with more than 1,100 beds, approximately 12,000 staff members and an annual budget of about \$1.2 billion.

Our focus on learning and research helps us develop new and innovative ways to treat patients and improve care. As a multi-campus hospital affiliated with the University of Ottawa, we deliver specialized care to the Eastern Ontario region, but our techniques and research discoveries are adopted around the world. We engage the community at all levels to support our vision for better patient care.

From the compassion of our people to the relentless pursuit of new discoveries, The Ottawa Hospital never stops seeking solutions to the most complex health-care challenges.

Our Vision:

To provide each patient with the world-class care, exceptional service and compassion that we would want for our loved ones.

Opportunity Mental Health Program – Geriatric Psychiatry seeking a Geriatric Psychiatrist Full-time or Part-Time

The Ottawa Hospital (TOH) Mental Health program is a Schedule 1 Facility under the Mental Health Act, which operates the following general psychiatry acute care programs and services at two campuses (Civic and General):

- Psychiatric Emergency Services
- Inpatient Service
- Outpatient Clinics
- Acute Partial Hospitalization
- Consultation Programs & Medical/Surgical Consultation Liaison Service

The Ottawa Hospital also provides specialized programs and/or services:

- Mobile Crisis Team & Community Crisis Stabilization Beds
- Champlain District First Episode Psychosis Program (regional program)
- Perinatal Mental Health Services
- Regional Program for the Treatment of Eating Disorder
- Community Treatment Order Coordinator

We currently have an opening for a geriatric psychiatrist working as part of an interdisciplinary consultation team for medical inpatients or as a most responsible physician for psychiatric inpatients or some combination thereof. For a full time-position, this academic position would be 0.8 FTE clinical and 0.2 FTE of career development time. Additional career development time can be carved out for those with research interests. Part-time options can be negotiated.

Applicant must have or be willing to obtain a valid license issued by the College of Physicians and Surgeons of Ontario; apply and receive appropriate medical staff privileges at The Ottawa Hospital; and apply and receive an appointment (Lecturer, Assistant Professor, Associate Professor, or Professor) at the University of Ottawa, Faculty of Medicine, Department of Psychiatry. Interested applicant is encouraged to submit letter of application and curriculum vitae to: Jess G Fiedorowicz, MD, PhD, Head and Chief Department of Mental Health, The Ottawa Hospital jfiedorowicz@toh.ca
