

Clinical Manager, Urgent Response and Care Transitions

Join the HSN team and embark on our organizational excellence journey!

Posting #: 17-0666E

Permanent Full-Time position

Location: Sudbury, Ontario

Health Sciences North (HSN) is seeking a leader to provide direction through the planning and organizing of the Urgent Response and Care Transitions team and oversight and control of the 24/7 operation of the Crisis Intervention Service and the day-to-day operations of the Central Intake and Referral Coordination Program, the Transitional Outpatient Program, Medication Support Service and the Psychiatric Outpatient Clinic. The ideal candidate has strong clinical knowledge and leadership skills to proactively engage the workforce in achieving departmental targets to promote the delivery of optimal care to patients. The role operates within a continuous improvement culture using Lean principles focused on improving work and care at HSN.

The successful candidate must have a four (4) year Bachelor's Degree with specialization in a health related discipline. A Master's Degree in health services management/human services or related field is preferred. A minimum of five (5) years' experience working in mental health and addictions service delivery and two (2) years working in a leadership/supervisory role is required, with a preferred focus on community-based experience. Experience providing clinical supervision in individual and group formats is also required.

A dynamic and growing health care environment awaits you in Sudbury Ontario: Canada's happiest city! Surrounded by provincial parks and over 200 lakes, Greater Sudbury has over 160,000 residents and is a rich mix of urban, suburban, rural and wilderness environments. Just a one hour flight or four-hour drive of Toronto; here, you will experience the balance of a challenging clinical career and a comfortable lifestyle, right in the heart of Northern Ontario's largest city.

HSN offers competitive salary and vacation, extended health and dental benefits, a pension plan through HOOPP and relocation allowance to assist with moving expenses.
