## Department Head, Mental Health

The Ottawa Hospital (TOH) is one of the largest Academic Health Science Centres in Canada, affiliated with the University of Ottawa and the Ottawa Hospital Research Institute. TOH is committed to meeting the needs of the 1.2 million residents it serves in Ottawa and Eastern Ontario, and is anchored by values of compassion, quality, teamwork, and respect. TOH's Vision is: To provide each patient with the world class care, exceptional service, and compassion we would want for our loved ones.

TOH is currently seeking a **Department Head, Mental Health**

The Ottawa Hospital Department of Mental Health primary focus is early identification and treatment of acute mental illness. Our multidisciplinary program treats patients that are primarily being seen for problems that are amenable to intervention over a short duration.

The department is closely affiliated with the University of Ottawa Department of Psychiatry residency program both in the community and in the hospital as well as the Royal Ottawa Mental Health Centre.

Reporting to the Chief of Staff, the Department Head is a seasoned leader who can direct the effective delivery of clinical services, academic performance and research in alignment with the mission, vision, values, policies and objectives of The Ottawa Hospital.

### Required Qualifications:

As an ideal candidate, you have:

- Excellent administrative and organizational skills
- An outstanding record in patient care, teaching, academic leadership and research,
- An accomplished clinician who holds certification in Psychiatry by the Royal College of Physicians and Surgeons of Canada or an equivalent
- Eligible for licensure in Ontario;
- Training and experience in system change is preferred; and
- An ability to communicate in a bilingual environment (French & English) is preferred

In accordance with Canadian immigration requirements, preference is given to Canadian citizens and permanent residents.

### How to Apply
