

MICHAEL GARRON HOSPITAL Psychiatry STAFF POSITIONS

In patient/Out patient Psychiatrist & 2 Out patient Psychiatrists

The Department of Psychiatry at Michael Garron Hospital is searching for qualified and dedicated Psychiatrists to join our department. Michael Garron Hospital (MGH), a member of the Toronto East Health Network (TEHN), is a vibrant community teaching hospital, affiliated with the University of Toronto, and serves one of Canada's most diverse communities. A new state of the art, eight story Ken and Marilyn Thomson Patient Care Centre is scheduled to open in 2023.

The successful candidates will be expected to have completed or be eligible for certification in Psychiatry by the Royal College of Physicians and Surgeons of Canada and for licensure in the Province of Ontario.

For the In patient Psychiatry position preference will be given to candidates with experience and/or interest in In Patient Psychiatry. An interest in psychogeriatrics is preferred but not essential. This position will be half time in patients and half time outpatients with the latter involving a mix of aftercare clinics, and serving as the medical back up for the crisis intervention out patient service.

Regarding the two out patient psychiatry positions, these will be for general adult psychiatry with experience and/or interest in the treatment of major mental illness, and crisis intervention preferred as the successful candidates will be the psychiatrists on a crisis intervention team backing up non medical clinicians, and lead aftercare clinics for patients with major mental illness.

The successful candidates will be able to work 5 days per week and participate in the psychiatry call schedule. Select applicants will be invited for an interview. The anticipated starting date is spring 2023 or up to July 2023 if spring is not possible.

The successful candidates will be able to work 5 days per week and participate in the psychiatry call schedule.

Preference will be given to candidates who demonstrate experience in leadership and exceptional interprofessional skills and who can further the department and institutional goals of promoting the ongoing success and growth of the adult mental health programs. The successful candidates will also be expected to contribute to the teaching, supervision, and mentorship of general psychiatry residents. The successful candidates will be eligible for an appointment to the Department of Psychiatry at the University of Toronto at the rank of Lecturer or higher. They must demonstrate a commitment to excellence in psychiatric education and academic administrative involvement, including participating in committees at the hospital and university level. An interest in research is welcome but not essential.

The Department of Psychiatry at MGH is committed to equal employment opportunity regardless of race, colour, ancestry, religion, sex, national origin, sexual orientation, age, marital status, disability, or gender identity.

Applications must include a letter of interest and specifying which position is being sought, curriculum vitae and three letters of reference to be received by January 6, 2023 to:
