

# PSYCHIATRISTS

## *Practice in beautiful Northwestern Ontario*

Lake of the Woods District Hospital in Kenora is a 69 bed community hospital, including a 17 bed Schedule 1 facility. We invite applicants to a full-time position of general adult psychiatrist, and a psychiatrist with special interest in child and adolescent mental health care. You will share adult inpatient care and on call with two other psychiatrists. The position involves limited outpatient mental health care, and 16 days a year outreach to the picturesque outlying communities in the Kenora and Rainy River Districts.

Qualifications for the position include: FRCPC certification in psychiatry and independent practice licensure from the College of Physicians and Surgeons of Ontario (CPSO).

### ***This practice offers the opportunity for:***

- Exposure to First Nation's mental health issues.
- Teaching medical students and residents, and academic appointment at an appropriate rank with the Northern Ontario School of Medicine (NOSM).
- Working in a collegial, supportive, fully integrated multi-disciplinary environment, and with a well-established ACT Team.
- Locum interest welcomed.
- Generous remuneration from Alternate Payment Plan, fee-for-service and stipend. May qualify for the Northern and Rural Recruitment Grant.

### ***About Kenora:***

The City of Kenora is the second largest health care centre in northwestern Ontario after Thunder Bay. It is located on the northern shores of beautiful Lake of the Woods. The service area has over 30,000 permanent year-round residents and more than doubles in the summer months. In addition, Kenora draws people from Dryden, Fort Frances, Red Lake, Sioux Lookout, and the far north for a variety of services including health care. In total, almost 70,000 people look to Kenora for some level of services.
