

Registered Nurse

Join the Partial Hospitalization Program at Health Sciences North!

Posting: Registered Nurse #597

Positions: Permanent Full-Time

Location: Sudbury, Ontario

Shift Assignment: Days

A dynamic and growing health care environment awaits you in Sudbury Ontario: Canada's happiest city! Surrounded by provincial parks and over 200 lakes, Greater Sudbury has over 160,000 residents and is a rich mix of urban, suburban, rural and wilderness environments. Just a one hour flight or four-hour drive from Toronto; here, you will experience the balance of a challenging clinical career and a comfortable lifestyle, right in the heart of Northern Ontario's largest city.

Health Sciences North (HSN) is seeking a registered nurse to provide individual and group treatment to individuals referred to the Partial Hospitalization Program. The successful candidate will demonstrate skills and abilities in the following: conducting intake/screening sessions, mental health assessments, treatment plan development, evaluation and progress reviews. They will also provide trauma-informed care using a recovery oriented approach and different treatment modalities.

Candidates are required to be a graduate from an approved School of Nursing (University, College, or Registered Practical Nursing Program) with a current certificate of competence with the College of Nurses of Ontario. Current certification in Basic Cardiac Life Support BCLS is required as well as current certification in Non-Violent Crisis Intervention. The successful candidate must show proven knowledge of psychopharmacology as well as the DSM and have some mental health inpatient and community expertise.

Interested applicants are asked to apply directly to posting #597 on the HSN Careers Website at <https://careers.hsnsudbury.ca/>.

Health Sciences North (HSN) is a regional resource and referral centre for over 600,000 residents across northeastern Ontario. It features state-of-the-art technology with 3,900 employees, over 280 physicians, and 700 volunteers. HSN has become a Research and Academic Health Science Centre affiliated with the Northern Ontario School of Medicine and the Health Sciences North Research Institute.
