

Social Worker Masters Opportunity

Join the Regional Eating Disorders team at Health Sciences North!

Posting #: 22-0894

Permanent Full-Time position

Location: Sudbury, Ontario

A dynamic and growing health care environment awaits you in Sudbury Ontario: Canada's happiest city! Surrounded by provincial parks and over 200 lakes, Greater Sudbury has over 160,000 residents and is a rich mix of urban, suburban, rural and wilderness environments. Just a one hour flight or four-hour drive of Toronto; here, you will experience the balance of a challenging clinical career and a comfortable lifestyle, right in the heart of Northern Ontario's largest city.

Health Sciences North (HSN) is seeking Social Worker Masters with skills in a range of individual, family and group therapies as well as experiential therapies, who can demonstrate excellent interpersonal and communication skills and a proven ability to communicate effectively with patients, physicians and other health care professionals. As a Social Worker Masters you will have the opportunity to assess, treat and counsel children, adolescents, adults and families using your knowledge and understanding of principles of recovery, as it applies to eating disorders treatment. The ideal candidate would have a proven knowledge and understanding of best practices as it relates to Eating Disorders, Concurrent Disorders and Collaborative Addiction and Mental Health Services as well as proven in-depth knowledge of psychological factors affecting eating disorder clients.

The successful candidate must have a Master's degree in Social Work (BSW with five (5) years recent experience in Eating Disorders will be considered). They must also be registered in good standing as a Social Worker with the Ontario College of Social Workers and Social Service Workers.

Interested applicants are asked to apply directly to posting # 22-0894 on the HSN Careers Website at hsnsudbury.ca/careers.

Health Sciences North (HSN) is a regional resource and referral centre for over 600,000 residents across northeastern Ontario. It features state-of-the-art technology with 3,900 employees, over 280 physicians, and 700 volunteers. HSN has become a Research and Academic Health Science Centre affiliated with the Northern Ontario School of Medicine and the Health Sciences North Research Institute.
