

Locum Psychiatrist, Department of Psychiatry, St. Joseph's Health Centre site, Unity Health Toronto

St. Joseph's Health Centre, Toronto, is seeking a locum psychiatrist for adult inpatient and outpatient services. St. Joseph's Health Centre provides a range of psychiatric services including rTMS, inpatient ECT, urgent care child and adolescent clinic, urgent care, ACTT, group psychotherapy modalities, Day Treatment Program, and inpatient services.

St. Joseph's Health Centre, a division of Unity Health Toronto, serves the West Toronto catchment area, which is home to an ethno racially and socioeconomically diverse population. We provide access to a suite of multidisciplinary clinical services within a general hospital setting in collaboration with community partners.

Locum remuneration includes OHIP billings, HOCC stipend and a monthly sessional. SJHC is an academic community site for the University of Toronto Temerty Faculty of Medicine. Locums with University appointments receive a stipend for supervising learners. Call shifts are lucrative as the emergency department sees relatively high volumes of psychiatric visits. There are no overhead expenses.

Candidates must hold an active certificate of registration from the College of Physicians and Surgeons of Ontario and the Royal College of Physicians and Surgeons of Canada. An active University of Toronto appointment is preferred but not mandatory for locum staff.

Closing Date: Open till filled

Start Date: Nov 3, 2025

Locum Period: 9-12 months

Interested applicants may submit their CV and letter of interest to Dr. Abdurrahman, Chief of Psychiatry, St. Joseph's Health Centre, c/o wendy.murphy@unityhealth.to

For more information about Unity Health Toronto, please see <http://www.unityhealth.to>. For more information about Psychiatry at SJHC, visit <https://psychiatry.utoronto.ca/about-our-community-sites>

The University of Toronto and Unity Health Toronto are strongly committed to diversity within its community and especially welcomes applications from racialized persons/persons of colour, women, Indigenous/Aboriginal People of North America, persons with disability, LGBTQ persons, and others who may contribute to further diversification of ideas. Unity Health Toronto and the University are committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
