Hospital: University Health Network

Candidate's Name: UHN Consultation- Liaison Psychiatry Team

- **Linda Liu**
- **Regina Sawh**
- **Shannon Wright**
- **Sarah Beneteau**

Position: Team Submission

COVID has brought extraordinary challenges throughout the health care system. All of our staff have gone above and beyond but our Consultation-Liaison Psychiatry team providing direct care to medical and surgical inpatients as well as support to their healthcare professionals has truly been amazing! Spending very long days, everyday in full PPE in units with COVID positive patients has required enormous compassion, courage and tenacity and they have embodied our most fundamental values in healthcare.
