

Located on beautiful Georgian Bay, Waypoint Centre for Mental Health Care is a 301-bed psychiatric hospital providing specialized inpatient and outpatient psychiatric care for the North Simcoe Muskoka region, and providing forensic psychiatric care for patients requiring a high secure facility.

Join our team of psychiatrists and general practice physicians working in a rich interprofessional care environment. We offer assessment, evidence-based treatment and recovery-oriented rehabilitation across a broad range of needs including patients who are in hospital under an order of the Ontario Review Board due to their involvement with the criminal justice system. As a result, periodic reports and appearances before the Review Board is a requirement of this work. Some of Waypoint's key treatment philosophies include recovery oriented and evidence-based practices in the least restrictive environment. The goal is to provide the patient with as much liberty as possible while respecting the safety needs of staff and the public, and complying with legal requirements.

We offer physicians career development opportunities in teaching and research, quality improvement and leadership/administration. Waypoint has academic affiliations with five Ontario medical institutions and candidates will be encouraged to apply for a university appointment if they do not already have one. Preference will be given to a candidate who is interested in contributing to our academic culture through one or more of the above activities, and who thrives as part of a collaborative team.

We are accepting expressions of interest by candidates who hold an MD or equivalent and certification in Psychiatry from the Royal College of Physicians and Surgeons of Canada, and who are eligible for licensure in the Province of Ontario. The ideal candidate will hold a sub-specialty in Forensic Psychiatry but candidates will also be considered based on their experience.

Remuneration is salaried and very competitive, with additional benefits including vacation, sick leave, education leave, professional development funds, relocation allowance, and a fantastic pension plan. We also offer independent contractor arrangements if the candidate prefers.

Waypoint is located in the Town of Penetanguishene, on the shores of beautiful Georgian Bay, less than two hours from Toronto and approximately 45 minutes from Barrie. Outdoor recreational opportunities in all four seasons abound in this area of natural beauty. Golfing, curling, fishing, boating, hiking, snowmobiling are just a few of the fun things to do here. At Waypoint, we believe in maintaining a work environment where people find meaning, enjoyment, and professional growth in their work while balancing and integrating with other aspects of their lives.

For information regarding current opportunities and our total compensation package, please contact the Medical Affairs office at jbeausoleil@waypointcentre.ca or 1-877-341-4729 ext. 2139
