Inspiré par la recherche.
Guidé par la compassion.

THE OTTAWA HOSPITAL - Mental Health Program -Programme santé mentale

501 Smyth Road, Ottawa ON K1H 8L6

The Ottawa Hospital is one of Canada's largest learning and research hospitals, with more than 1,100 beds, approximately 12,000 staff members and an annual budget of about \$1.2 billion.

Our focus on learning and research helps us develop new and innovative ways to treat patients and improve care. As a multi-campus hospital affiliated with the University of Ottawa, we deliver specialized care to the Eastern Ontario region, but our techniques and research discoveries are adopted around the world. We engage the community at all levels to support our vision for better patient care.

From the compassion of our people to the relentless pursuit of new discoveries, The Ottawa Hospital never stops seeking solutions to the most complex health-care challenges.

Our Vision:

To provide each patient with the world-class care, exceptional service and compassion that we would want for our loved ones.

Opportunity Mental Health Program – seeking a General Inpatient Psychiatrist Full-time Permanent Faculty Position

The Ottawa Hospital (TOH) Mental Health program is a Schedule 1 Facility under the Mental Health Act, which operates the following general psychiatry acute care programs and services at two campuses (Civic and General):

- Psychiatric Emergency Services
- Inpatient Service
